

Foreign Exchange Committee to Release October 2024 North American FX Volume Survey Results on February 5

New York, January 31, 2025 – The Foreign Exchange Committee¹ expects to release the results of its 41st Survey of North American Foreign Exchange Volume on Wednesday, February 5. The results will be released in coordination with similar surveys conducted by the United Kingdom’s Foreign Exchange Joint Standing Committee (FXJSC), the Singapore Foreign Exchange Market Committee (SFEMC), the Canadian Foreign Exchange Committee (CFEC), Hong Kong’s Treasury Markets Association (TMA), and the Australian Foreign Exchange Committee (AFXC). The results of the Tokyo Foreign Exchange Market Committee (TFEMC) were released on Tuesday, January 28.

¹ The Foreign Exchange Committee is composed of individuals from institutions that participate actively in foreign exchange markets as well as other financial markets worldwide. It is sponsored by, but is not part of, the Federal Reserve Bank of New York. Any views expressed by the Foreign Exchange Committee do not necessarily represent the views of the Federal Reserve Bank of New York or the Federal Reserve System.
