and via Conference Call

- What is your outlook for the U.S. economy and Federal Reserve monetary policy? How have your expectations changed, if at all, and what developments have been most important in shaping your views?
- How do you expect economic growth and inflation to evolve in foreign jurisdictions? What are your monetary policy expectations for these regions? How do you view the outlook for the U.S. dollar?
- What were the main amplification mechanisms of the early August volatility across U.S. and Japanese markets? What is your assessment of the ability of markets to absorb future shocks?
