and via Conference Call

- What is your outlook for the U.S. economy and the trajectory of Federal Reserve monetary policy? What economic signals do you take from broader financial markets, such as the shape of the Treasury curve or risk assets?
- How do you expect the economic and monetary policy outlook to evolve in foreign jurisdictions? What is driving global sovereign yield curve steepening this year and how do you compare dynamics abroad to the U.S.?
- How have you incorporated AI into your business and hiring decisions so far, if at all? What types of tasks across your industry best suit AI at present? In your view, what are the potential implications for financial markets?
