(a) Subject to the terms and conditions hereof, the Lender agrees to make loans to the Borrower in Dollars from time to time on any Business Day during the Availability Period for the purpose of funding the Borrower’s purchase of Eligible Assets from Eligible Issuers (each such loan, an “Asset Acquisition Loan”).

(b) As of any Funding Date, after giving effect to the related borrowing and the application of the proceeds of such borrowing, the aggregate outstanding principal amount of all Loans outstanding shall not exceed the Commitment.

2.2 Procedure for Borrowing Asset Acquisition Loans.

(a) Each borrowing of an Asset Acquisition Loan shall be made upon irrevocable notice by the Borrower (or the Administrator, on behalf of the Borrower) to the Lender, which may be given by telephone or email transmission in accordance with the procedures established by the Lender from time to time. Each such notice must be received by the Lender by approximately 4:30 p.m. New York time at least one Business Day prior to the requested Funding Date.

(b) Notwithstanding anything to the contrary contained herein, any such telephonic notice may be given by a Responsible Officer of the Borrower (or Administrator, on its behalf) or an individual who has been authorized in writing to do so by a Responsible Officer of the Borrower (or Administrator, on its behalf). Each such telephonic notice must be confirmed promptly by delivery to the Lender of a written notice (which may be sent via email) from a Responsible Officer of the Borrower (or the Administrator, on its behalf). Each such irrevocable notice (whether telephonic or written) shall specify (1) the requested Funding Date, (2) the amount of the Asset Acquisition Loan to be borrowed, (3) the Eligible Assets to be purchased with such Asset Acquisition Loan and their maturity dates and (4) such other information as the Lender may reasonably request.

(c) Upon satisfaction of the applicable conditions set forth in Sections 4.1 and 4.2, the Lender shall make the proceeds of the Asset Acquisition Loans available to the Borrower by approximately 8:30 a.m. New York time on the Funding Date either by, as specified in the notice given under this Section 2.2, (1) crediting the Custodian Reserve Account with the amount of such proceeds, (2) crediting the Custody Account with the amount of such proceeds or (3) such other wire transfer or other payment of such proceeds, in each case in accordance with instructions provided to (and acceptable to) the Lender by the Borrower (or the Administrator, on behalf of the Borrower).

2.3 Repayment of Asset Acquisition Loans. The Borrower shall repay the outstanding principal amount of each Asset Acquisition Loan and the interest accrued thereon on the related Repayment Date, which repayment may be effected by the Lender debiting the Custodian Reserve Account in an amount equal to the sum of the principal amount of such Asset Acquisition Loan and accrued interest thereon, or otherwise, in accordance with the Priority of Payments.

2.4 Interest; Computation of Interest.

(a) Each Loan shall bear interest on the outstanding principal amount thereof at a rate per annum equal to the Interest Rate on Excess Reserves in effect on the day such Loan is made.

(b) Interest payable on each Loan pursuant hereto shall be calculated by the Administrator on the basis of a 365-day year for the actual number of days elapsed, during the period from but excluding the Funding Date for such Loan to and including the Repayment Date for such Loan. Each determination of the interest rate and each

calculation of the amount of accrued interest, in each case by the Administrator pursuant to any provision of this Agreement, shall be conclusive and binding on the Borrower and the Lender in the absence of manifest error. On each Business Day, the Borrower shall, upon receipt from the Administrator of such information, notify the Custodian, the Lender and the Managing Member, for each Loan outstanding on such date, the outstanding principal amount thereof and accrued interest thereon, in each case, as of such date.

(c) Interest shall accrue on a daily basis on the outstanding principal amount of each Loan until the outstanding principal amount of such Loan is paid in full. Interest accrued on the outstanding principal balance of each Loan shall be payable in arrears on the related Repayment Date for such Loan.

(d) If any amount payable by the Borrower to the Lender under any Loan Document is not paid when due (without regard to any applicable grace periods), whether on a Repayment Date, at stated maturity, by acceleration or otherwise, such amount shall thereafter bear interest at an interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable law, which interest shall accrue from the date such overdue amount was originally due to the date of payment in full of such amount, including interest thereon, has been made to the Lender. Accrued and unpaid interest on past due amounts, including interest on interest, shall be due and payable upon demand. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any bankruptcy, insolvency, reorganization, moratorium or similar law affecting the enforcement of creditors' rights generally.

Any such Operating Loan shall be funded to the Custodian Reserve Account.

2.6 Payments Generally. (a) All payments to be made by the Borrower in respect of the Loans shall be made in such amounts, without set-off or counterclaim, as may be necessary in order that every such payment (after deduction or withholding for or on account of any present or future taxes, levies, imposts, duties or other charges of whatever nature imposed by the jurisdiction in which the Borrower is organized or any political subdivision or taxing authority therein or thereof) shall not, as a result of any such deductions or withholdings, be less than the amounts otherwise specified to be paid under this Agreement. All payments under the Loans will be made by the Borrower without any deduction or withholding for or on account of any tax unless such deduction or withholding is required by any applicable law, as modified by the practice of any relevant governmental revenue authority, then in effect.

(b) The Lender shall maintain in accordance with its usual practice an account or accounts evidencing the Indebtedness of the Borrower to the Lender resulting from the Loans, including the amounts of principal and interest payable and paid to the Lender from time to time hereunder. The entries made in the records maintained pursuant to the

preceding sentence shall be prima facie evidence of the existence and amounts of the Obligations to which such entries relate; provided that the failure of the Lender to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Loans in accordance with the terms of this Agreement and the other Loan Documents.

2.7 Voluntary Prepayments. The Borrower may prepay the outstanding principal amount of any Loan at any time in whole or in part, without premium or penalty, plus accrued interest thereon.

(1) to be paid to the Borrower to permit the Borrower to make payment of any fees and other reimbursable costs incurred by the Borrower, including fees or costs of the Administrator, the Custodian, the Administrative Agent, the Settlement Agent, the Investment Manager, the Lender and the Preferred Equity Account Bank, in each case to the extent payable or reimbursable under the Operative Documents (such amounts, "Senior Expense Amounts");

(2) to the payment of all accrued and unpaid interest on the Loans maturing on such Repayment Date;

(3) to the payment of principal of the Loans maturing on such Repayment Date;

(4) to the Preferred Equity Account, an amount equal to the Preferred Equity Reimbursement Amount; and

(5) any remaining amounts to the Liquidity Account.

The Managing Member shall determine in consultation with the Administrator, and instruct the Custodian to make payment of, the relevant amounts applicable on each Repayment Date under each of items (1) – (5) above.

(b) Preferred Equity Account Transfers. On each Determination Date, the Managing Member shall determine in consultation with the Administrator the amount, if any, by which the amounts payable pursuant to clauses (1) through (3) of the Priority of Payments (the "Senior Amounts") exceed the Available Amounts (such excess a "Senior Shortfall Amount") and shall notify the Custodian of any Senior Shortfall Amount. On

each Repayment Date, the Borrower shall apply, or cause to be applied, funds from the Preferred Equity Account in an amount equal to the Senior Shortfall Amount (or, if such Senior Shortfall Amount is greater than the amount in the Preferred Equity Account, all funds in the Preferred Equity Account) pursuant to the Priority of Payments. On each Repayment Date, the Borrower shall transfer to the Preferred Equity Account any amount payable under clause (4) of the Priority of Payments.

(c) Payment of Senior Expenses. If the Managing Member in consultation with the Administrator has determined that Available Amounts will be sufficient to pay all currently anticipated Senior Expense Amounts on the next Repayment Date, the Borrower may pay on any day, regardless of whether such day is a Repayment Date, any Senior Expense Amounts due and payable as of such day.

(d) Custodian Reserve Account. The amounts in items (2) and (3) of Section 2.8(a) shall be paid by the Lender debiting the Custodian Reserve Account as contemplated by Section 2.3, and reimbursement by the Borrower to the Custodian of such debits to the Custodian Reserve Account. Any Senior Shortfall Amount pursuant to Section 2.8(b) shall be applied by transferring such amount from the Preferred Equity Account to the Custodian Reserve Account.

SECTION 7. EVENTS OF DEFAULT

If any of the following events shall occur and be continuing:

(a) the Borrower shall fail to pay any principal of, or interest on, any Loan or other amount due hereunder or under any other Loan Document when the same shall become due in accordance with the terms hereof or thereof; or

(b) any representation or warranty made or deemed made by the Borrower herein or in any other Loan Document or that is contained in any certificate, document or financial or other statement furnished by it at any time under or in connection with this Agreement or any such other Loan Document shall prove to have been inaccurate in any material respect on or as of the date made or deemed made; or

(c) the Borrower shall default in the observance or performance of any other covenant, agreement or undertaking contained in this Agreement or any other Loan Document and such default shall continue and not be cured for a period of five Business Days after receipt of written notice thereof from the Lender; or

(d) (1) the Borrower shall commence any case, proceeding or other action (A) under any existing or future law of any jurisdiction, domestic or foreign, relating to bankruptcy, insolvency, reorganization or relief of debtors, seeking to have an order for relief entered with respect to it, or seeking to adjudicate it bankrupt or insolvent, or seeking reorganization, arrangement, adjustment, winding-up, liquidation, dissolution, composition or other relief with respect to it or its debts, or (B) seeking appointment of a receiver, trustee, custodian, conservator or other similar official for it or for all or any substantial part of its assets; or (2) there shall be commenced against the Borrower any case, proceeding or other action of a nature referred to in clause (1) above that (A) results in the entry of an order for relief or any such adjudication or appointment or (B) remains

undismissed or undischarged for a period of 60 days; or (3) there shall be commenced against the Borrower any case, proceeding or other action seeking issuance of a warrant of attachment, execution, distraint or similar process against all or any substantial part of its assets that results in the entry of an order for any such relief that shall not have been vacated, discharged, or stayed or bonded pending appeal within 60 days from the entry thereof; or (4) the Borrower shall take any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the acts set forth in clause (1), (2), or (3) above; or (5) the Borrower shall generally not, or shall be unable to, or shall admit in writing its inability to, pay its debts as they become due; or (6) or the Borrower shall make a general assignment for the benefit of its creditors; or

(e) any of the Security Documents shall cease, for any reason, to be in full force and effect after its execution, or the Borrower shall so assert, or any Lien created by any of the Security Documents shall cease to be enforceable and of the same effect and priority purported to be created thereby; then, and in any such event, the Lender may terminate the Commitment with immediate effect and declare all Loans (in each case with accrued interest thereon) and all other amounts owing under this Agreement and the other Loan Documents to be due and payable forthwith, whereupon the same shall immediately become due and payable; provided, however, that upon the occurrence of any Event of Default described in Sections 7(d)(1), (2), (3) or (4), the Commitment shall automatically terminate and all the Loans (in each case with accrued interest thereon) and all other amounts owing under this Agreement and the other Loan Documents shall automatically become and be due and payable. Except as expressly provided above in this Section, presentment, demand, protest and all other notices of any kind are hereby expressly waived by the Borrower.

SECTION 8. MISCELLANEOUS

8.1 Amendments and Waivers. Neither this Agreement, any other Loan Document, nor any terms hereof or thereof may be amended, supplemented or modified except in accordance with the provisions of this Section 8.1. No amendment, supplement or modification to this Agreement or the other Loan Documents or waiver of, any of the requirements of this Agreement or the other Loan Documents or any Default or Event of Default and its consequences shall be effective without the written consent of the Lender. Any waiver, amendment, supplement or modification so consented to shall be binding upon the Borrower and the Lender. In the case of any waiver, the Borrower and the Lender shall be restored to their former position and rights hereunder and under the other Loan Documents, and any Default or Event of Default waived shall be deemed to be cured and not continuing; but no such waiver shall extend to any subsequent or other Default or Event of Default, or impair any right consequent thereon. Any purported amendment, supplement or modification not complying with the terms of this Section 8.1 shall be null and void.

8.2 Notices. All notices, requests, consents and demands to or upon the respective parties hereto to be effective shall be in writing (including by electronic mail transmission), and, unless otherwise expressly provided herein, must be delivered by messenger, overnight courier service or electronic mail, and shall be deemed to have been duly given or made when delivered, or in the case of notice by electronic mail transmission, when

acknowledged by the receiving party or otherwise verified by the sending party (whichever occurs first), addressed as follows or to such other address as may be hereafter notified by the respective parties hereto:

provided that any notice, request or demand to or upon the Lender shall not be effective until received.

8.3 No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of the Lender, any right, remedy, power or privilege hereunder or under the other Loan Documents shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights,

remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

8.4 Survival of Representations and Warranties. All representations and warranties made hereunder, in the other Loan Documents and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement and the making of the Loans hereunder.

8.5 Payment of Expenses, etc. The Borrower agrees (a) to pay or reimburse the Lender for all of the Lender's reasonable out-of-pocket costs and expenses incurred in connection with the development, preparation and execution of, and any amendment, supplement or modification to, this Agreement and the other Operative Documents and any other documents prepared in connection herewith or therewith, and the consummation and administration of the transactions contemplated hereby and thereby, including the reasonable fees and disbursements of counsel to the Lender and filing and recording fees and expenses, (b) to pay or reimburse the Lender for all costs and expenses incurred by the Lender in connection with the enforcement or preservation of any rights under this Agreement, the other Operative Documents and any such other documents, including the fees and disbursements of counsel to the Lender, (c) to pay, indemnify, and hold the Lender and its Related Parties harmless from, any and all recording and filing fees and any and all liabilities with respect to, or resulting from any delay in paying, stamp, excise and other taxes (other than those of the nature of an income tax), if any, that may be payable or determined to be payable in connection with the execution and delivery of, or consummation or administration of any of the transactions contemplated by, or any amendment, supplement and modification of, or any waiver or consent under or in respect of, this Agreement, the other Operative Documents and any such other documents and (d) to pay, indemnify, and hold the Lender and its Related Parties (each, an "Indemnitee") harmless and defend them from and against any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses (including, subject to the second succeeding proviso, the reasonable fees and disbursements of legal counsel) or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance and administration of this Agreement, the other Operative Documents and any such other documents, including any of the foregoing relating to the use of proceeds of the Loans (all the foregoing in this clause (d), collectively, the "Indemnified Liabilities"); provided that the Borrower shall have no obligation hereunder to any Indemnitee with respect to Indemnified Liabilities to the extent such Indemnified Liabilities are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee; provided, further, that the Borrower shall not be obligated to pay, indemnify or hold harmless any Indemnitee if such Indemnitee (1) does not provide reasonably prompt notice to the Borrower of any claim for which indemnification is sought; provided that the failure to provide notice shall only limit the indemnification provided hereby to the extent of any incremental expense or actual prejudice as a result of such failure or (2) makes any admissions of liability or incurs any significant expenses after receiving actual written notice of the claim, or agrees to any settlement without the written consent of the Borrower, which consent shall not be unreasonably withheld. The Borrower may, in its sole discretion, and at its expense, control the defense of the claim including, without limitation, designating counsel for the Indemnitees (which counsel shall be reasonably satisfactory to the Indemnitees) controlling all negotiations, litigation, arbitration, settlements, compromises and appeals of any claim; provided that (x) the Borrower may not

agree to any settlement involving any Indemnitee that contains any element other than the payment of money and complete indemnification of the Indemnitee without the prior written consent of the affected Indemnitee and (y) the Borrower shall engage and pay the reasonable expenses of separate counsel for the Indemnitee to the extent that the interests of the Indemnitee are in conflict with those of the Borrower. The Borrower shall be responsible to pay the reasonable fees of such separate legal counsel if such a conflict exists. The agreements in this Section 8.5 shall survive repayment of the Loans and all other amounts payable hereunder.

8.6 Successors and Assigns; Participations and Assignments. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (a) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void), (b) the Lender may not assign or otherwise transfer (including through participations) its rights or obligations hereunder without the prior written consent of the Borrower (such consent not to be unreasonably withheld) except to another Federal Reserve Bank and (c) the Lender may not assign or otherwise transfer (including through participations) all or any portion of its rights or obligations in any Loan unless it simultaneously assigns or transfers to the same assignee or transferee the same percentage of its portion of such Loan it is assigning or transferring in (i) all of its other portions of such Loans and (ii) its Membership Interest.

8.7 Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument. Delivery of an executed signature page of this Agreement by email or facsimile transmission shall be effective as delivery of a manually executed counterpart hereof. A set of the copies of this Agreement signed by all the parties shall be lodged with the Borrower and the Lender.

8.8 Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

8.9 Integration. This Agreement and the other Operative Documents represent the entire agreement of the Borrower and the Lender with respect to the subject matter hereof and thereof, and there are no promises, undertakings, representations or warranties by the Lender relative to the subject matter hereof not expressly set forth or referred to herein or in the other Operative Documents.

8.10 **GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.**

8.11 Submission To Jurisdiction; Waivers. The Borrower hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Loan Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the exclusive jurisdiction of the courts of the United States for the Southern District of New York, and appellate courts thereof;

(b) consents that any such action or proceeding may be brought only in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to the Borrower at its address set forth in Section 8.2 or at such other address of which the Lender shall have been notified pursuant thereto;

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law;

(e) agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in another jurisdiction by suit on the judgment or in any other matter provided by law; and

(f) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding any special, indirect, exemplary, punitive or consequential damages of any kind whatsoever (including for lost profits).

8.12 Acknowledgements. The Borrower hereby acknowledges that:

(a) the Lender has no fiduciary relationship with or duty to the Borrower arising out of or in connection with this Agreement or any of the other Loan Documents, and the relationship between the Lender and the Borrower in connection herewith or therewith is solely that of debtor and creditor; and

(b) no joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby between the Lender and the Borrower.

8.13 **WAIVERS OF JURY TRIAL EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.**

8.14 Investment Company Act. The Lender represents and warrants that it is a “qualified purchaser,” within the meaning of the Investment Company Act of 1940, as amended.

8.15 Recourse. The obligations of the Borrower under this Agreement and all other Operative Documents are full recourse obligations of the Borrower and shall be payable to the extent of the LLC Assets. No recourse shall be had for the payment of any amount owing in respect of any obligation of, or claim against, the Borrower arising out of or based upon this Agreement or any other Operative Document against any holder of a membership interest, employee, officer or Affiliate thereof; provided that the foregoing shall not relieve any such person or entity from any liability it might otherwise have as a result of willful misconduct, gross negligence, bad faith or fraudulent actions taken or omissions by it. The provisions of this Section 8.16 shall survive the termination of this Agreement.

8.16 No Petition. The Lender hereby covenants and agrees that it will not prior to the date that is one year (or, if longer, the applicable preference period then in effect) plus one day after the first day on which all of the Obligations have been paid in full (a) commence or institute against the Borrower or join with or facilitate any other Person in commencing or instituting against the Borrower, any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution, receivership, insolvency or liquidation proceedings, or other proceedings under any United States Federal or state, or other jurisdiction, bankruptcy or similar law or statute now or hereafter in effect in connection with any obligations relating to this Agreement or any of the other Operative Documents or (b) participate in any assignment for benefit of creditors, compositions, or arrangements with respect to the Borrower’s debts. The agreements in this Section 8.17 shall survive the termination of the Agreement and the other Obligations and shall also survive the termination of the Loan Documents.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their proper and duly authorized officers as of the day and year first above written.
