

The dataset (file name `crsp_20110930.csv`) was updated April 9, 2012 to adjust for the following data errors:

1. First Fidelity Bancorporation (rssd: 1033993, permco: 20717) is a mistake and is deleted.
2. Pennbancorp (rssd: 1070662, permco: 3614) is deleted. Pennbancorp was acquired by Integra Financial Corporation on December 31, 1988. The permco 3614 is still assigned to Integra Financial Corp after the acquisition but Integra Financial Corp is given a new rssd number of NIC. This second match is correctly identified (rssd: 1398816, permco: 3614). Because the link file only provides links starting from 1990, the observation for Pennbancorp was dropped.
3. Monarch Bank (rssd: 2718345, permco: 44175) has its link start date changed to 20030716 from 20060716.

These edits are reflected in the newly posted 2011-3 link file (file name `crsp_20110930V2.csv`). The old version of the 2011-3 link file (file name `crsp_20110930.csv`) is no longer available; users of the previous version should be aware of these changes.
