

# SCE Survey of Informal Work Participation, December 2021

[There are three groups of questions:

**Group 1: Q1-Q43 and Q100-Q101: general information, employment status, extensive queries about informal work participation**

**Group 2: Q44-Q56: CPS-style questions to elicit employment status per BLS criteria**

**Group 3: Q57-Q58: whether they included gig work in answering CPS-style questions; whether they did gig work in the preceding week**

**Subjects are randomized such that there is a 50% chance of seeing Group 1 first and a 50% chance of seeing Group 2 first. After completing Groups 1 and 2 (in either order), subjects then complete Group 3. When completing Group 3, they cannot go back to change answers in Groups 1 and 2]**
